

This diagram illustrates the layout of a mobile application interface. It is enclosed in a rounded rectangle representing a mobile device, with a status bar at the top and a home indicator at the bottom. The interface is divided into several sections: a top header area containing a 'Logo' and a 'Titre' (Title) bar; a left sidebar with a 'Menu' button; a main content area with three stacked sections: 'accueil' (welcome), 'Photo', and 'Texte' (text); and a bottom navigation bar with three items: 'Titre', 'Contact', and 'Menu'.
