

A wireframe diagram of a mobile application interface. The interface is contained within a rounded rectangle with a light gray border. At the top, there are four small circles representing status bar icons. The main content area is divided into several sections. At the top, there is a large rectangular area containing a 'Logo' box, a 'Titre' box, a 'Menu' box, and an 'Urgence' box. Below these is a large 'Texte' box. At the bottom, there is a 'Titre' box, a 'Contact' box, and a 'Menu' box. The bottom of the screen features a rounded rectangular home indicator.
