

A wireframe diagram of a mobile application interface. The interface is contained within a rounded rectangle with a light gray border. At the top, there are four small circles representing status bar icons. The main content area is divided into several sections. The top section contains a 'Logo' box and a 'Titre' box. Below these is a 'Menu' box. The middle section contains a 'Nom + photo' box, a 'Lien' box, and a 'Séparation' box. The bottom section contains a 'Nom + phot' box, a 'Lien' box, a 'Titre' box, a 'Contact' box, and a 'Menu' box. A home indicator bar is at the very bottom.
